

NANT 11

Cultivating Connection

CONTINUING EDUCATION INFORMATION

THANK YOU FOR JOINING US FOR THE NANT 11 CONFERENCE!

NANT 11 will be livestreamed **April 8 - 10**

On-demand viewing will be accessible **April 19 - July 30, 2021**

To obtain continuing education credits, you must watch all CE accredited sessions. Within 5 business days of viewing completion, you will receive an email from NANT granting you access to the conference learning assessment and evaluation, hosted on <https://neonataltherapists.com>. The email will contain your NANT Hub account login information as a reminder. *You must complete the online conference evaluation and learning assessment by **August 4th**.*

Once you complete the conference learning assessment and evaluation, the system will generate your Certificate of Completion and provide access to the conference zip file. The zip file provides supporting documents for individual CE applications for those physical therapists and nurses who need to apply for CE credit through their state.

SLPs: If you use the ASHA CE Registry, NANT will report your CE credit to ASHA. Please allow up to 100 days from your conference evaluation completion date for your CEUs to show up on your ASHA CE Registry. Please ensure that your ASHA number and contact information are up to date within your NANT Hub profile.

If you have any questions or concerns, please do not hesitate to contact us at info@neonataltherapists.com

NANT 11

Cultivating Connection
